WHY MATEX VINYL?

What Makes Us Different

NONWOVEN BACKING

Our vinyl flooring features premium nonwoven backing for improved dimensional stability, comfort, and durability.

TRULY WATERPROOF

Designed to resist moisture and everyday spills, making it ideal for kitchens, bathrooms, and commercial areas.

ANY THICKNESS

Three standard bars plus full custom thickness on request. Your project, your specification.

DESIGN LIBRARY

Wood, marble, stone, tile, geometric. Every collection available across all three series.

2M ROLL WIDTH

Standard 2m wide rolls. Fewer joins. Cleaner result. Lengths cut to order.

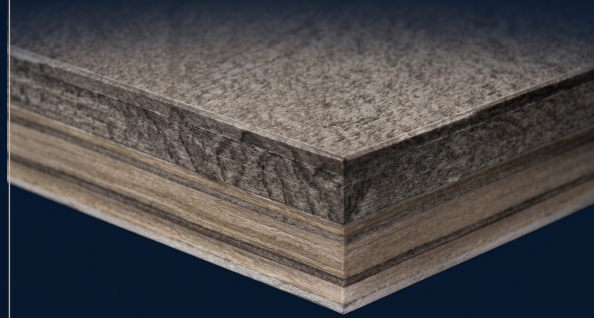

GLOBAL PRODUCTION

Manufactured at scale in Egypt. Trusted by distributors in 65+ countries. Consistent quality, competitive pricing.

MATEX VS STANDARD VINYL

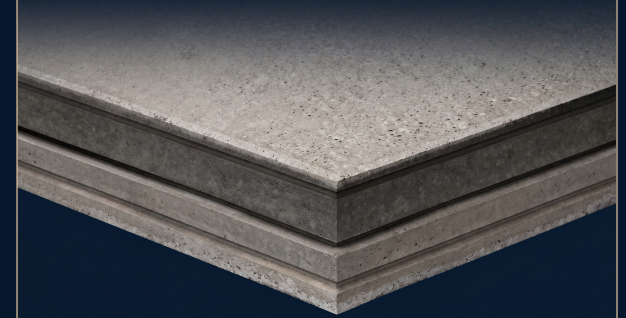

STANDARD VINYL

- Foam or felt backing
- Lower dimensional stability
- Prone to edge curl

MATEX VINYL

- Premium nonwoven backing
- Superior stability
- Better floor adhesion

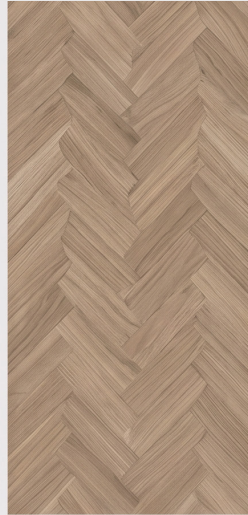

Built for the Kitchen.

Spills, splashes, grease, steam. The kitchen floor takes everything. MATEX vinyl handles all of it – wipe clean in seconds, looking great for years.
